(A codicil is simply a supplement or amendment to your present will; an instrument to make a change without completely rewriting the original document. It is important that the language of the codicil does not conflict with the language of your will. See your attorney. For individuals with living trusts, the same principles of the codicil apply to the trust amendment. Again, see your attorney.)

[This part of the codicil provides for the witnessing of the document, just as your will is witnessed.]

The foregoing instrument was by \_\_\_\_\_, published and declared as and for his (or her) Codicil to his (or her) Last Will and Testament in our presence, and in the presence of each of us; and we, at the same time, and at his (or her) request, and in his (or her) presence, and in the presence of each other, have hereunto subscribed our names as attesting witnesses on the day and year last above written.
