The Volunteers: Americans Join World War I, 1914-1919

EXHIBIT DESCRIPTION

American volunteer organizations contributed immensely to the well-being and welfare of the American men and women serving the American military in WWI, but also to peoples in the war-torn countries around the globe. This special exhibition produced

with AFS Intercultural Programs shares their inspirational stories.

EXHIBIT DESIGN

This easy to install exhibition utilizes the [Nomadic Display system](#) and an optional attachable lighting system. It requires 40 linear feet for installation and an electrical source for lighting. The system is able to be installed in 4-10 foot free standing sections.

The exhibit is displayed on both sides of the display system for a total of 80 linear feet.

RENTAL SCHEDULE

Rental periods are 12 weeks in length but can be extended with permission from lending institution.

COSTS

\$1,400 per 12-week booking period, plus outgoing shipping to next venue or return to Kansas City, MO for domestic U.S. locations. International venues will be responsible for all incoming and outgoing shipping along with any additional custom charges.

TRANSPORTATION and HANDLING

All shipping will be done by FedEx with the host institution providing outgoing shipping to next domestic U.S. venue. International venues will be responsible for all incoming and outgoing shipping along with any additional custom charges. The exhibit is packed in 9 wheeled crates measuring 41.5" x 16" x 16" and weighing approximately 50 pounds each.

SECURITY

Security requirements are moderate, but must protect the exhibit from fire, smoke, natural light, water damage, loss, theft and vandalism.
